

In 2022 help an older person or a person with a disability live safely at home.

Since 2019 Able Community Care, a Norfolk, Live-in Care Provider for people with a disability, has provided a free door sticker to deter unwanted callers.

It is a fact that older and vulnerable people are targeted by fraudulent 'professional' people such as conmen advising they are from the Welfare State etc.

As many people have told us, this sticker on a door does mean the difference between a safe and a dangerous situation.

To date we have given out nearly 80,000 door stickers and if you have one, please email us at info@ablecommunitycare.com telling us how many you have to send them to.

We are happy for you to share this offer on your Facebook page or
