

I couldn't be a councillor! I don't belong to a political party and I wouldn't know what to do.

You don't have to belong to a political party. Do you care about your community?

Well, yes, but...

That's all you need.

But I don't know how to be a councillor!

Your council will provide you with training. I did a short course at Norfolk Association of Local Councils. It gave me all I needed. My council paid for it too. We also have a clerk who guides us on council business.

So what you're saying is that I could be a councillor.

To find out more, contact your local town or parish council.

Or why not attend a council meeting?
