

Flood Information Event

Be prepared • Be informed • Be safer

Monday 26th October 2026
10am until 4pm

Walcott Village Hall
Coast Road, Walcott

Walcott On Sea Parish Council is holding a flood information event to help residents know what to do in the event of flooding.

Talk to the experts

The Flood Resilience Engagement Advisor, Community Resilience Team and Flood Wardens will be in attendance to answer your questions and give practical advice.

Find out how you can:

Minimise damage

Simple steps you can take to reduce the risk of flooding and minimise damage to your property.

Practical advice

Information on what to do before, during and after a flood.

Protect your property

Learn about property level protection and how it can help keep your home safer.

Get your questions answered

Speak directly to the teams and find out what support is available in our community.

Small steps make a big difference

Come along, get the information you need and help keep our community more resilient.

*Together
we're stronger*
